

Halogen quartz brilliance from the clear leader in pool and spa lighting

What better way to fully enjoy your pool than to relish its pleasures after the sun goes down? Now, it's easier than ever to add after-dark drama and visual excitement to your vinyl pool with the AquaLumin II nicheless light. AquaLumin II provides bright, energy efficient illumination to enhance the beauty and safety of your nighttime swimming environment. Thanks to its revolutionary ease of installation, AquaLumin II now makes lighting an affordable luxury for all vinyl pools. Because it requires only a 3-inch hole in the pool wall, the AquaLumin II is the pool professional's light of choice for retrofitting older pools. Want to create a different mood? Simply snap on a colored lens. No matter which color you choose, the AquaLumin II will fill your pool with a radiant glow.

Standard features include:

- Energy-efficient, cool blue halogen quartz lamp.
- Photometrically designed tempered glass lens for beautiful underwater lighting.
- Heat-sensing low water thermostat protects against operation when light is not submerged.
- Easy professional installation in vinyl lined pools and spas.
- Exclusive light rim design allows light location versatility, even on radiused walls.
- Optional snap-on colored lenses.

AquaLumin[®] II

Nicheless Light

Industry's first and only nicheless light.

AquaLumin II makes your pool as inviting and beautiful under the stars as it is under the sun. With its revolutionary, patented design, AquaLumin II mounts directly on the pool wall for simple installation in vinyl pools. AquaLumin II is the perfect choice for adding nighttime brilliance to new or existing pools. And because it's from Pentair Pool Products, the leader in pool lighting, you can trust AquaLumin II to provide years of trouble-free service.

Other options and features include:

- Exclusive wall hugging light rim for an attractive installation.
- Highly polished stainless steel face ring is attractive and corrosion resistant.
- 100-watt/12 volt and 250-watt/120 volt models.
- One-year limited warranty. See warranty for details.

Halogen quartz bulb for energy efficiency and long life

Stainless steel face ring for maximum life

Tempered glass lens is photometrically designed to provide added brilliance
